Warmer Winter Ahead for Wild Card Winner

Bismarck – A Stark County resident won \$5,000 playing Wild Card 2. The lucky winner said he initially thought he had matched four of the five numbers and won \$20 in the December 14th drawing. He took the ticket back to Frankie's Conoco in Dickinson where he had bought it, and that's when he learned he had matched all five numbers - and won enough to make his winter season a little warmer. He claimed the prize this week.

The winner said that he planned to shingle his house with the prize money. He also said that his granddaughter from Wisconsin called after hearing about his win and asked him if she'd told him lately, how much she loves him!

The Wild Card 2 jackpot starts at \$100,000 and keeps growing until it is won. North Dakota players have won 3 of the last 4 jackpots.
